

Global Tuberculosis Report 2013

33836 **Author:** World Health Organization

Publication Date: 2013

Format: Report

Physical Description: 306 p.: col.; appendices, graphs, refs., tables.

Language: English

Abstract:

This is the eighteenth global report on tuberculosis (TB) published by WHO in a series that started in 1997. It provides a comprehensive and up-to-date assessment of the TB epidemic and progress in implementing and financing TB prevention, care and control at global, regional and country levels using data reported by 197 countries and territories that account for over 99% of the world's TB cases.
