

## A Guide to Monitoring and Evaluation for Collaborative TB/HIV Activities

**Author:** UNAIDS World Health Organization World Health Organization (WHO) The Global Fund to Fight AIDS Tuberculosis & Malaria U.S. President's Emergency Plan for AIDS Relief (PEPFAR)

**Publication Date:** 2015

**Format:** Book

**Physical Description:** 48 p.: col.; appendix, refs., tables.

**Language:** English

### Abstract:

This book was developed to assist in the management of TB and HIV/AIDS programs that are implementing or planning to implement collaborative TB/HIV activities. It is intended to facilitate the collection of standardized data and help in the interpretation and dissemination of these data for program improvement. It aims to ensure consistency across all agencies and stakeholders involved in HIV/AIDS, TB, and collaborative TB/HIV activities.
