

## World TB Day 2005: Frontline TB Care Providers: Heroes in the Fight Against Tuberculosis

**Author:** Stop TB Partnership

**Publication Date:** 2005

**Format:** Online Resource

**Physical Description:** Online resource includes 3 briefing notes.

**Language:** English

### Abstract:

This website raises worldwide awareness about the international health threat posed by tuberculosis. For World TB Day 2005, the Stop TB Partnership Secretariat proposes to focus on the central role of frontline TB care providers in the fight against TB. It includes three Briefing Notes that the Stop TB Partnership Secretariat will distribute for planning and implementing advocacy and social mobilization activities for World TB Day 2005.
