

## World TB Day CDC Website

**Author:** CDC NCHHSTP Division of Tuberculosis Elimination

**Publication Date:** 2014

**Country of Origin:** United States

**Format:** Online Resource

**Physical Description:** Website.

**Language:** English

### Abstract:

This website, which is updated annually, contains an introduction with the history of World TB Day and multiple resources, including educational materials and posters. This website also provides a place for health educators and advocates to post and share activities they are planning for World TB Day. The 2018 US World TB Day theme is "Wanted: Leaders for a TB-Free United States. We can make history. End TB"
