

Civil Society Perspectives on TB/HIV: Highlights from a Joint Initiative to Promote Community-Led Advocacy

understanding **Author:** Treatment Action Group Public Health Watch at the Open Society Institute

Publication Date: 2006

Country of Origin: United States

Format: Report

Physical Description: 52 p.: col.; ill.

Language: English

Abstract:

This report highlights the work of community-based organizations and people living with HIV/AIDS in advocating for coordinated TB and HIV policies and services in their countries. The report presents case studies from Indonesia, Mexico, Sierra Leon, South Africa, Ukraine, and the Caribbean, highlighting community advocates' strategies, achievements, and lessons learned.
