

Series of Patient Education Materials

Author: CDC NCHHSTP Division of Tuberculosis Elimination Global Tuberculosis Institute at Rutgers The State University of New Jersey

Publication Date: December 2005

Country of Origin: United States

Format: Booklet

Physical Description: Series includes 5 Booklets and 1 Fact Sheet

Language: English, Spanish, Tagalog

Abstract:

The Centers for Disease Control and Prevention and the Northeastern New Jersey Medical School Global Tuberculosis Institute have produced a collection of culturally-appropriate patient education materials. These booklets and fact sheet were developed for a low-literate audience and cover the following topics: the TB skin test, TB and HIV, TB infection, TB disease, contact investigations, and TB medication. These materials are available in English, Spanish, and Tagalog.
