Format: Book

Physical Description: 167 p.: col., ill.; appendices, graphs, maps, tables.

Language: English

Abstract:

This document, building on the Stop TB Partnership's first plan for 2001-2005, provides a comprehensive assessment of the action and resources needed to implement the Stop TB strategy and make an impact on the global TB burden. The three components of the plan are strategic directions, global and regional scenarios for TB control, and partnership action to achieve the goals.
