**Publication Date:** 2005

**Country of Origin:** United States

**Format:** Teaching Guide/Training Curriculum

**Physical Description:** 1 training package includes a trainer's guide, participant's manual, CD of all files, DVD, job aides, and posters

**Language:** English

### Abstract:

The HIV Rapid Testing Training Package, developed by CDC and WHO in collaboration with the Office of the United States Global AIDS Coordinator, is designed for laboratory technicians, nurses, and counselors at test sites. It provides them with the knowledge and skills to perform HIV rapid tests accurately and reliably in a safe and professional manner. The training package includes a trainer's guide, participant's manual, CD of all files, training video/DVD, job aides, and curriculum posters.
