Publication Date: April 2006

Country of Origin: United States

Format: Information Kit

Physical Description: 1 Facilitator-Led Training Guide; 1 Self-Study Modules; 1 videotape (67 mins.) sd., col.; 1/2 in. (VHS).

Language: English

Abstract:

The Effective TB Interviewing for Contact Investigations Materials include a Facilitator-Led Training Guide, Self-Study Modules, and a Video. These materials are designed to teach successful interviewing strategies to health care workers who are responsible for conducting TB interviews with patients as part of contact investigations. The materials can be used together or on their own. Each material has to be ordered separately from the CDC website order form.
