

The Patients' Charter for Tuberculosis Care

Author: World Care Council

Publication Date: 2006

Format: Brochure/Pamphlet

Physical Description: 1 folded sheet (4p.): col., ill.

Language: English

Abstract:

The Patient's Charter for Tuberculosis Care (The Charter) outlines the rights and responsibilities of people with tuberculosis. It empowers people with the disease and their communities through this knowledge. Initiated and developed by patients from around the world, the Charter makes the relationship with health care providers a mutually beneficial one. The Charter is affiliated with the International Standards for Tuberculosis Care, developed by the Tuberculosis Coalition for Technical Assistance.
