

The Tuberculosis Survival Project

understandingAuthor: The Tuberculosis Survival Project

Publication Date: 24 March 2006

Format: Online Resource

Physical Description: Website

Language: English, French, Russian, Spanish

Abstract:

The Tuberculosis Survival Project (TBSP) was launched World TB Day 2006. The project aims to raise awareness and provide information about tuberculosis (TB) and Multidrug-resistant tuberculosis (MDR-TB); to offer a peer support one-to-one mentoring service; to provide a facility whereby people can leave their own and read others' experience of having the disease; and to provide country specific information.
