

## Accompagnateurs Training Curriculum

**Author:** Partners in Health

**Publication Date:** 2008

**Format:** Teaching Guide/Training Curriculum

**Physical Description:** 15 Units.

**Language:** English

### Abstract:

This pilot curriculum for accompagnateurs comprises 15 units, with a focus on treatment and support for patients with HIV/AIDS and tuberculosis. Accompagnateurs are community health workers trained and employed to provide medical and psychosocial support for their neighbors. This curriculum contains a training guide, handbook, flipchart, and slides.

Available only in electronic format, which can be downloaded for free at the URL listed below.
