

Policy Guidelines for Collaborative TB and HIV Services for Injecting and Other Drug Users: An Integrated Approach

understanding **Author:** UNAIDS United Nations Office on Drugs and Crime
World Health Organization

Publication Date: 2008

Format: Guideline

Physical Description: 60 p.: col.; annexes, maps, refs., tables.

Language: English

Abstract:

The Policy Guidelines outline the detailed evidence and explanation of the recommendations and describe the methods, the people involved and the summary of conflicts of interest. The aim of this guidance is to provide a strategic approach to reducing TB- and HIV-related morbidity and mortality among drug users and their communities in a way that promotes holistic and person-centred services.
