Tuberculosis: What You Need to Know

understanding **Author:** Chicago Department of Public Health

Publication Date: 2008

Country of Origin: United States

Format: Online Resource

Physical Description: 1 audiovisual file (13 mins): sd., col.; (rms, .asf).

Language: English

Abstract:

This video was created by the High Risk TB Project in Chicago, Illinois to help educate African Americans living in Chicago about tuberculosis (TB). Both public health practitioners and TB patients share information and insight into the disease. The video also lists Chicago health centers where people can receive free comprehensive TB care. For further information regarding this video, please email Chicago Department of Public Health
