

World Atlas of BCG Policies and Practices

Author: A. Zwerling, M. Behr, A. Verma, T. Brewer, D. Menzies, & M. Pai
Tuberculosis Prevention and Control

Publication Date: 2008

Country of Origin: Canada

Format: Online Resource

Physical Description: Online resource: col., ill., ref.

Language: English

Abstract:

Variations in BCG vaccination practices impact the interpretation of TB diagnostics, such as the widely used Tuberculin Skin Test (TST). The World Atlas of BCG Policies and Practices can aid clinicians in making diagnostic decisions concerning TB infection.
