

Lantos-Hyde US Government Tuberculosis Strategy

understanding **Author:** US Agency for International Development

Publication Date: March 2010

Country of Origin: United States

Format: Report

Physical Description: 30 p.: col., ill.

Language: English

Abstract:

In response to the urgent need to control the spread of TB, the U.S. Congress passed the Reauthorization Act supporting a substantial increase in USG funding for TB treatment and control over a five-year period. The Reauthorization Act requests the development of a USG Global Tuberculosis Strategy.
