

Case Studies in TB: Nurse Case Management Training Tools for Patient Success

Author: Heartland National Tuberculosis Center

Publication Date: 2010

Country of Origin: United States

Format: Book

Physical Description: 132 p.: col., ill.; appendices, tables.

Language: English

Abstract:

This collection of nursing case studies and their accompanying tools are intended to complement a TB program's education and training of its nursing staff. The cases are based on real-life experiences of TB nurse case managers in the Heartland Region and are designed to illustrate key concepts in TB control and prevention.
