

Simplified Checklist for TB Infection Control

understanding **Author:** Family Health International/US National Headquarters
Office US Agency for International Development Tuberculosis Coalition for
Technical Assistance

Publication Date: 2010

Format: Book

Physical Description: 20 p.: col., tables.

Language: English

Abstract:

The Checklist is designed to provide CHWs, supervisors, and program managers (from NTPs, NGOs, CBOs, and others) with very practical ways to properly implement TB IC and to minimize risk of transmission within community residential settings, including families and households.
