

Interpersonal Communication and Counseling for Clients on Tuberculosis and HIV and AIDS

Author: PATH

Publication Date: September 2009

Format: Teaching Guide/Training Curriculum

Physical Description: PDF & PPT

Language: English

Abstract:

This training curriculum for tuberculosis (TB) health care workers introduces principles of interpersonal communication and counseling of clients on TB and HIV and provides practical experience in TB and HIV counseling skills in a three-day workshop. The training package also includes PowerPoint presentations on parts 1, 2, and 4 for the trainers; and handouts for the participants.
