

Being Brave: Stories of Children with Drug-Resistant Tuberculosis

Author: The Sentinel Project on Pediatric Drug-Resistant Tuberculosis

Publication Date: 2012

Format: Booklet

Physical Description: 21p.: col., ill.

Language: English

Abstract:

In January 2012, members of the Sentinel Project on Pediatric Drug-Resistant Tuberculosis reached out to organizations treating children with DR-TB in diverse settings and asked them to submit short stories and photos. These stories pay tribute to the thousands of children who, with the help of dedicated health care providers and family members, have fought and overcome DR-TB.
