

12-Dose Regimen for Latent TB Infection

33762 **Author:** CDC NCHHSTP Division of Tuberculosis Elimination

Publication Date: 2012

Country of Origin: United States

Format: Brochure/Pamphlet

Physical Description: 4p., mono., ill.

Language: English

Abstract:

This brochure was developed for clinicians to use with patients while discussing the 12-dose regimen. The brochure contains information on latent TB infection, the 12-dose regimen, treatment schedules, and adverse events. There is space on this brochure to write in treatment schedules and clinic/office contact information.
