

Framework for Conducting Reviews of Tuberculosis Programmes

Framework for Conducting Reviews of Tuberculosis Programmes **Author:** World Health Organization

Publication Date: 2014

Format: Manual

Physical Description: 50 p.: mono.; appendices, refs., tables.

Language: English

Abstract:

The purpose of this document is to provide guidance on how to conduct a national TB program review. It identifies the three keys steps needed for conducting a review (i.e., planning and preparing for the review; conducting the review; and finalizing the report). Checklists are also provided that can be adapted and used to assess key areas of TB control.
