

Homelessness and TB Toolkit

Homelessness "and" TB Toolkit **Author:** Curry International TB Center

Publication Date: December 2014

Format: Online Resource

Physical Description: Website

Language: English

Abstract:

The Homelessness and TB Toolkit is an online resource developed to assist both public health programs and homeless service agencies in the important work of TB control among people experiencing homelessness. The toolkit contains guidelines, forms, signs, educational materials, articles, and other resources. Many of the tools found on the site are presented as templates that can be modified or edited for a given program's needs.
