

Tuberculosis Knowledge Base

Tuberculosis Knowledge Base **Author:** Mayo Clinic Center for Tuberculosis

Publication Date: 2016

Format: Online Resource

Physical Description: Online resource

Language: English

Abstract:

This resource is a search engine tool designed for health care practitioners to quickly find topic-specific information on TB. This resource is being developed by Mayo Clinic physicians who have expertise in this field. Users may enter search criteria on a variety of TB topics and the search engine will then display records with information pertaining to their topic. Along with topic information, links are provided to outside sources and other internal resources.
